Executive Director Succession

Policy Purpose

A change in executive leadership is inevitable for all organizations and can be a very challenging time. The following succession plan policy is intended to help the organization be prepared for planned or unplanned absences of the Executive Director, clarifying authority and decision-making, and thereby maintaining accountability and ensuring stability.

Policy Statement

It is the policy of the Associated Students, Incorporated to be prepared for an eventual permanent change in leadership – either planned or unplanned – to ensure the stability and accountability of the organization until such time as new permanent leadership is identified. The Board of Control shall be responsible for implementing this policy and its related procedures.

It is also the policy of the board to assess the permanent leadership needs of the organization to help ensure the selection of a qualified and capable leader who is a good fit for the organization’s mission, vision, values, goals and objectives and who has the necessary skills for the organization. To ensure the organization’s operations are not interrupted while the board of directors assesses the leadership needs and recruits a permanent executive officer, the board will appoint interim executive leadership as described below. The interim Executive Director shall ensure that the organization continues to operate without disruption and that all organizational commitments previously made are adequately executed, including but not limited to reports, contracts, licenses, certifications, memberships, obligations to lenders, and others.

It is also the policy of the Associated Students, Incorporated, to develop a diverse pool of candidates and consider at least three finalist candidates for its permanent Executive Director position. The Associated Students, Incorporated shall implement an external recruitment and selection process, while at the same time encouraging the professional development and
advancement of current employees. The interim Executive Director and any other interested internal candidates are encouraged to submit their qualifications for review and consideration by the transition committee according to the guidelines established for the search and recruitment process.

Communicate with key stakeholders regarding actions taken by the board in naming an interim successor, appointing a transition committee, and implementing the succession policy. The organization shall maintain a current list of key stakeholders who must be contacted, such as lenders of the Associated Students, Incorporated, foundations, government agencies, and others.

Consider the need for consulting assistance (i.e., transition management or executive search consultant) based on the circumstances of the transition.

Review the organization’s business plan and conduct a brief assessment of organizational strengths, weaknesses, opportunities and threats to identify priority issues that may need to be addressed during the transition process and to identify attributes and characteristics that are important to consider in the selection of the next permanent leader.

Establish a timeframe and plan for the recruitment and selection process.
