

WAITING LIST & PROGRAM INFORMATION

Associated Students, Inc. | California State University, Long Beach
Isabel Patterson Development Center
(562) 985-5333 www.asicsulb.org/ipcdc

Thank you for your interest in the Isabel Patterson Child Development Center (IPCDC)! We are committed to providing accessible, affordable, and dependable quality early care and education programs for children of CSULB students. We will enroll faculty, staff, alumni, and community families only after the enrollment of student families. Our programs include an Infant and Toddler Program, Preschool Program, and School Age Program.

Each semester, currently enrolled families have the opportunity to re-register their children before we turn to the waiting list to offer enrollment to new families. Our waiting list is arranged by program according to the parents' status and in chronological order of the waiting list application date.

The waiting time for enrollment varies and likely to take several semesters. This is due to: 1) our licensed capacity, 2) not a lot of child turn-over from one semester to the next, and 3) our popularity.

.....
ENROLLMENT PRIORITIES among student families are as follows: 1) CSULB students who meet eligibility requirements and are certified by our Eligibility Specialist for grant-funded programs, 2) CSULB student veterans and service members, 3) All other CSULB students. After the enrollment of student families, we offer spaces in the following order: 1) Staff/Faculty, 2) Alumni, and 3) Community.

WAITING LIST PROCEDURE: Parents must call for an appointment for an on-site visit of the children's program, complete a waiting list application, and submit a \$20 non-refundable waiting list fee. CSULB students applying for subsidy do not have to pay the waiting list fee. (*Refer to ELIGIBILITY SCALE FOR SUBSIDIZED CHILDCARE below to see if you qualify.*)

Waiting list applications expire on May 31st of each year. To remain on the waiting list, families must complete a Waiting List Renewal Form during the month of May for each year an enrollment space is not offered. A detailed explanation regarding this procedure is on the Waiting List Application Attachment.

Children on the Infant and Toddler waiting list that turn 2½ will automatically transfer to the Preschool waiting list and maintain the same submission date. **Children on the Preschool waiting list that turn 5 by September 1st will age out of our program and will be removed from the waiting list in June of that year. Parents of children aging out of preschool that are interested in the School Age Program must complete a new waiting list application and pay the waiting list fee.**

REGISTRATION PROCEDURE: When space is available for new children, parents are notified (phone or email) by the Assistant Director of the program their child is eligible. The parent will receive an email with a link to complete the registration packet. A mandatory parent orientation is required. The parent must provide a copy of the child's updated immunization record prior to the child's first day. A Physician's Report performed by a health professional is also required within two weeks of the child's first day. **Student parents must submit a current class schedule, Staff/Faculty parents' status will be verified through the university, and Alumni parents must submit proof of graduation from CSULB.**

MEAL PROGRAM: Our program participates in the Child and Adult Food Care Program. Children in attendance are served the same nutritious meals (breakfast, lunch, afternoon snack) at no separate charge, regardless of race, color, national origin, sex, disability, age, or reprisal or retaliation for prior civil rights activity. In the Infant and Toddler Program, infants 6 to 12 months are served based on an individualized plan. Table food is introduced when infants are developmentally ready.

CALENDAR: All programs open on the first day of the CSULB fall semester. We follow the CSULB academic calendar and observe all campus holidays. The Infant and Toddler Program and Preschool Program are closed July and August. The School Age Program closes after Long Beach Unified School District's last day of school (and July and August).

PROGRAM SESSIONS: Children’s attendance schedules are contracted as follows:

- 1) Fall Semester 2) Winter Break Session* 3) Spring Semester (including Spring Break) 4) Summer Session*

***Winter and Summer Sessions contingent on whether enough children are registered.**

WAITING LIST & REGISTRATION FEES (all fees are waived for subsidy families):

INFANT AND TODDLER PROGRAM INFORMATION

Children are assigned to one of four rooms depending on the age and development of the child: Baby, Beginning Walker, Younger Toddler, or Older Toddler. Parental requests for child placement are considered, however, the final decision on what room children are assigned, will remain with the IPCDC staff. The ratio of children to caregiver and the approximate ages at the beginning of the semester for each room are as follows:

<u>Room</u>	<u>Adult to Child Ratio</u>	<u>Age (approximate)</u>
Baby	3:1 (6 children/2 caregivers maximum)	6 to 12 months
Beginning Walker	3:1 (6 children/2 caregivers maximum)	12 to 18 months
Younger Toddler	4:1 (8 children/2 caregivers maximum)	18 to 24 months
Older Toddler	4:1 (8 children/2 caregivers maximum)	24 to 30 months

STAFF: The adult/child ratios are maintained by CSULB Student Assistant Caregivers. Student Assistant Caregivers are employees of Associated Students, Inc. and are trained and supervised directly by the Infant and Toddler Assistant Director and Program Staff. Other IPCDC staff include the IPCDC Director, Office Staff and Meal Program Staff.

PROVISIONS: Parents are responsible for providing diapers, changes of clothes, wipes, specialty creams or lotions (including sunscreen), and emergency supplies for their children.
