Policy on Athletic Facility Fee Reductions

The Associated Students, Incorporated will allocate annually a pool of funds to offset costs incurred by university-recognized student organizations for the use of CSULB athletic facilities. Fee reductions will be subject to the following conditions:

1. Applications for Athletic Facility Fee Reduction must be submitted at least two weeks prior to the event.
2. Fee reductions will be issued on a first-come, first-served basis for the current fiscal year only.
3. Requests for fee reductions will be made available only upon completion and submission of a properly executed Athletic Facility Reservation Form **and** Program Regulation Clearance form.
4. The student organization must be university-recognized, not on probation, and currently registered with the Office of Student Life and Development in the semester during which the reduction is requested.
5. For purposes of this policy, the Pyramid is excluded as an athletic facility.
6. Fee reductions will be issued for athletic or recreational events only.
7. Fee reductions can only be issued for events in which CSULB students, faculty, or staff are the intended participants or audience.
8. Fee reductions cannot be issued in instances where the student organization is co-sponsoring the event with one or more off-campus organizations.
9. Fee reductions can only be applied to facility supervision fees. Reductions cannot be applied to charges incurred for facility usage, referees or officials.
10. All requests for reduction of fees under this policy must be submitted using the "Athletic Facility Fee Reduction Request", available from the A.S. Government Office.
11. All Requests must be approved by the organization's Student Life and Development advisor, who will forward the approved request to the A.S. Government Office.
12. The "Athletic Facility Fee Reduction Request" will be placed on the next available agenda of the Board of Control. The Board of Control will recommend approval or denial of the request.
13. The Board of Control's recommendation will be forwarded for final approval to the Associated Students Senate.
14. Once approved by the Senate, the "Athletic Facility Fee Reduction Request" will be forwarded to Athletics Scheduling. Athletics Scheduling will then bill the Associated Students for amount of fees waived after the event has taken place.
15. Once the annual allocation has been depleted, fee reductions will no long be available until the start of the next fiscal year.
