9. NEW BUSINESS

A. Legislative Business

- 1) Action Item: SR #2022-03 Support of California State Legislature Bills of Interest (2nd Reading)
SB641 - CalFresh for College Students Act

- Stance: Support

This bill would require the State Department of Social Services to post on its internet website updated program lists and instructions to counties, and would require the instructions to include specific guidance for processing applications, reporting, and recertification for additional students who are exempt from the CalFresh student eligibility rule. The bill would require the department to convene a workgroup to identify the steps necessary to establish a CalFresh application submission process that improves access to real-time information about applications submitted and accommodates the large influx of CalFresh applications during the beginning of a school term, as specified.

AB1602 - California Student Housing Revolving Loan Fund Act of 2022

- Stance: Support

This bill would establish the California Student Housing Revolving Loan Fund Act of 2022 to provide zero-interest loans to qualifying institutional applicants of the University of California, the California State University, and the California Community Colleges for the purpose of constructing affordable student housing and faculty and staff housing. The bill would establish the California Student Housing Revolving Fund as a continuously appropriated fund in the State Treasury, thereby making an appropriation. The bill would state the intent of the Legislature to appropriate \$5,000,000,000 for purposes of the housing loans.

AB1671 - California Ban on Scholarship Displacement for Foster Youth Act of 2022

- Stance: Support

Commencing with the 2023–24 academic year, an institution of higher education shall not reduce a student’s institutional financial aid offer or award for an academic year as a result of private scholarship awards received by that student unless all of the following conditions are satisfied:

- The student is ineligible to receive a Federal Pell Grant award
- The student is ineligible to receive financial assistance under the California Dream Act
- The student’s gift aid exceeds the student’s financial need
- The institution reduces its institutional financial aid by no more than the amount of the student’s gift aid that is in excess of the student’s financial need.
- The institution does not consider a student’s receipt or anticipated receipt of a private scholarship when considering a student’s qualification for institutional financial aid.

SB929 - Community Mental Health Services data collection

- Stance: Support

Would require the State Department of Health Care Services to collect and publish data regarding clinical outcomes for individuals placed in each type of mental health hold, services provided in each category, waiting periods, and needs for treatment beds.

AB595 - Public Postsecondary Education- University of California and California State University: student eligibility policy

- Stance: Support

This bill would require the CSU Board of Trustees to engage in open public discussions with other education; segments that would be impacted before making changes to the eligibility requirements for undergraduate students. The bill would also require the trustees to commission an independent study by a third-party research organization to assess the impact of the proposed change in student eligibility policy on the eligibility rates of the graduates of public secondary schools who are members of underrepresented student groups, and specifically examine the impact on eligibility and admission rates of all high school graduates, disaggregated by race, ethnicity, income, and region.

AB295 - Public postsecondary education: pilot program for free cost of attendance: working group

- Stance: Support

This bill would establish a working group with representatives from the State Department of Education, UC, CSU, and CC system to evaluate the creation of a pilot program that would cover the cost of attendance at post-secondary education in the state by replacing the system of charging students fees and tuition for or enrollment at a public postsecondary institution.

AB1232 - Community colleges: nonresident tuition fees: English as a second language courses

- Stance: Support

Non-California residents pay a higher tuition fee compared to CA residents in the CCC system.

This bill would exempt this “non-resident” tuition fee for students who are enrolled in an English Second Language college course and who are:

- A recent immigrant, as defined in Section 1101(a)(15) of Title 8 of the United States Code (USC);
- A recent refugee, as defined in Section 1101(a)(42) of Title 8 of the USC; and,
- A person who has been granted asylum by the United States, as defined in Section 1158 of Title 8 of the USC.
- The student must have been living in CA for less than 6 months

AB1764 - Public postsecondary education: student housing: survey

- Stance: Support

This bill would require the Office of the Chancellor of the California State University, the Office of the Chancellor of the California Community Colleges, and the Office of the President of the University of California to collect data on student housing insecurity at each of their respective campuses, as specified. The collected data can be used to improve state policy discussions on student housing, to identify campuses and segments with the greatest barriers to student housing, and to prioritize future state funding designated for student housing. The collected data shall include all of the following information:

- The percentage of enrolled students who currently receive affordable housing and are considered part of a special needs population
- The percentage of students who live off campus and on campus, who are first-generation college students and students who are current or former foster youth

AB-2371 Public postsecondary education: California State University: tuition

- Stance: Support

This bill would prohibit the charging of tuition or mandatory system wide fees for enrollment at a campus of the California State University for any academic year, for up to 2 academic years, to a California Community College resident transfer student who has completed an associate degree for transfer and has received a fee waiver, as provided. Upon the enactment of an appropriation

for this purpose, the bill would require the Chancellor of the California State University to distribute funding to each California State University campus to offset the costs of waiving tuition and mandatory system wide fees to transfer students pursuant to this bill.

Mission

- 1) Awareness: we know the current struggles and pressure points for our students
- 2) Access: we constantly improve access to services
- 3) Achievement: we understand mental health impacts on degree attainment
- 4) Tools for Life: we provide skills for lifetime success

Approach and Commitments

- Intentional: our organized and proactive public health approach means we are ready for the challenges students face now and in the future
- Perceptive and proactive: we will provide a high-touch experience by mobilizing our resources and getting help to students even if they are hesitant to seek it themselves
- Extensive and Responsive: there is no wrong door for students to walk through at the Beach, anytime, 24-hours a day, 7 days a week
- Equitable and Accessible: we recognize how historical contexts have shaped our students' experiences and our health structures. Our methods will create health equity with purpose
- Collaborative: we are dedicated to a campus and community movement, where student mental health is a collective responsibility and priority

Continuum of Care

- Level 4: Urgent/Timely Response: CARES, crisis phone line, crisis text line
- Level 3: Specialized Student Self-Report/Referral: individual counseling, therapy groups, case

managers, You@CSULB

- Level 2: High Touch Opportunities: faculty members, peer mentors, advisors/supervisors, parents, families
- Level 1: Population Health and Prevention: workshops, programs, events, wellness marketing, awareness, de-stigmatization

National Data Points

- 53% of students were worried/scared often or constantly in the past 6 months
- 59% of students turn to parents, family, or extended family for help first
- 65% of students rate their behavioral health as fair or poor
- 75% of faculty members nationally are willing to help students in distress, but only 50% of those know how
- Disparities for first gen, low-income students of color are NOT in their symptoms but largely in their help-seeking behaviors.

CSULB Data Points

- 27% reported a death of a family member, loved one or friend due to COVID-19
- 39% of our students have accessed the Enrollment Services chat bot for help between 5 p.m.-8 a.m.
- 57% reported witnessing online or in-person discriminatory or hostile exchanges due to someone's race/ethnicity
- 85% of our campus mental health services require a student to initiate an action (make an appointment, visit a site, go to a program or group)
- 86% reported moderate or high stress in the last 12 months

Objective #1

We will honor our students' diversity by using culturally informed practices and developing strategies to promote inclusive excellence in services

- 1) Ensure professional staff and peer mentors in our behavioral health units have demonstrated skill and commitment to serving diverse student populations using culturally informed and trauma informed approaches
- 2) Restructure recruitment strategies to increase counseling candidate diversity and representation
- 3) Engage identity center staff and student groups in prevention and support

Objective #2

We will build a community of care agents (staff, parents, families, faculty, and peers) on and off campus to help us identify struggles early and often

- 1) Create 10 or more physical spaces where students feel comfortable sharing sensitive experience
- 2) College emergency contact information and expand engagement with families (Beach 2030)
- 3) Align peer mentor programs
- 4) Provide a menu of training options based on level of engagement and skill set
- 5) Promote faculty and staff well-being to maximize impact

Objective #3

We will increase awareness, expand our reach and decrease stigma

- 1) Milestone maps and marketing campaigns built around times of anxiety and stress
- 2) Increase behavioral staffing availability during times of peak demand
- 3) Update programming to reflect contemporary challenges

Objective #4

We will align our resources to ensure students have easy access to services

- 1) Evaluate Case Management models (CARES, CAPS, BMAC, SHS, BN)
- 2) Explore on-demand virtual solutions to accessing café (telehealth)
- 3) BEACH Crisis Text Line and Mobile Crisis Unit

- 4) Establish community partnerships with local non-profit organizations and resource centers (Beach 2030)

Objective #5

We will leverage technology to reach students faster and more proactively

- 1) Automate health services reminders
- 2) Establish a peer-to-peer texting tool and expand the chat bot to reach students where they are
- 3) Develop protocols to reach student identity groups or impacted student groups during national crisis/trauma
- 4) Create virtual social communities

Immediate Next Steps

61 **BILL SUMMARIES**

62 **AB 295 (Jones-Sawyer) Public Postsecondary Education: Pilot Program for Free Cost of Attendance:**
63 **Working Group**

64 This bill would establish a working group with representatives from the State Department of Education,
65 UC, CSU, and CC system to evaluate the creation of a pilot program that would cover the cost of
66 attendance at post-secondary education in the state by replacing the system of charging students fees
67 and tuition for or enrollment at a public postsecondary institution.

68
69 **AB 595 (Medina) Public Postsecondary Education- University of California and California State**
70 **University: Student Eligibility Policy**

71 This bill would require the CSU Board of Trustees to engage in open public discussions with other
72 education; segments that would be impacted before making changes to the eligibility requirements for
73 undergraduate students. The bill would also require the trustees to commission an independent study
74 by a third-party research organization to assess the impact of the proposed change in student eligibility
75 policy on the eligibility rates of the graduates of public secondary schools who are members of
76 underrepresented student groups, and specifically examine the impact on eligibility and admission rates
77 of all high school graduates, disaggregated by race, ethnicity, income, and region.

78
79 **AB 1232 (McCarty) Community Colleges: Nonresident Tuition Fees: English as a Second Language**
80 **Courses**

81 Non-California residents pay a higher tuition fee compared to CA residents in the CCC system. This bill
82 would exempt this “non-resident” tuition fee for students who are enrolled in an English Second
83 Language college course and who are: A recent immigrant, as defined in Section 1101(a)(15) of Title 8 of
84 the United States Code (USC); A recent refugee, as defined in Section 1101(a)(42) of Title 8 of the USC;
85 and, A person who has been granted asylum by the United States, as defined in Section 1158 of Title 8
86 of the USC. Finally, the student must have been living in CA for less than 6 months

87
88 **AB 1602 (McCarty) Student Housing Revolving Loan Fund Act of 2022**

89 This bill would establish the California Student Housing Revolving Loan Fund Act of 2022 to provide zero-
90 interest loans to qualifying institutional applicants of the University of California, the California State
91 University, and the California Community Colleges for the purpose of constructing affordable student
92 housing and faculty and staff housing. The bill would establish the California Student Housing Revolving
93 Fund as a continuously appropriated fund in the State Treasury, thereby making an appropriation. The
94 bill would state the intent of the Legislature to appropriate \$5,000,000,000 for purposes of the housing
95 loans.

96
97 **AB 1671 (Patterson) California Ban on Scholarship Displacement for Foster Youth Act of 2022**

98 Commencing with the 2023–24 academic year, an institution of higher education shall not reduce a
99 student’s institutional financial aid offer or award for an academic year as a result of private scholarship
100 awards received by that student unless all of the following conditions are satisfied:

- 102 • The student is ineligible to receive a Federal Pell Grant award.
- 103 • The student is ineligible to receive financial assistance under the California Dream Act.
- 104 • The student's gift aid exceeds the student's financial need.
- 105 • The institution reduces its institutional financial aid by no more than the amount of the student's
- 106 gift aid that is in excess of the student's financial need.
- 107 • The institution does not consider a student's receipt or anticipated receipt of a private
- 108 scholarship when considering a student's qualification for institutional financial aid.

109

110 **AB 1764 (Medina) Public Postsecondary Education: Student Housing Survey**

111 This bill would require the Office of the Chancellor of the California State University, the Office of the
112 Chancellor of the California Community Colleges, and the Office of the President of the University of
113 California to collect data on student housing insecurity at each of their respective campuses, as specified.
114 The collected data can be used to improve state policy discussions on student housing, to identify
115 campuses and segments with the greatest barriers to student housing, and to prioritize future state
116 funding designated for student housing. The collected data shall include all of the following information;
117 The percentage of enrolled students who currently receive affordable housing and are considered part
118 of a special needs population. The percentage of students who live off campus and on campus, who are
119 first-generation college students and students who are current or former foster youth.

120

121 **AB 2371 (Santiago) Public Postsecondary Education: California State University Tuition**

122 This bill would prohibit the charging of tuition or mandatory systemwide fees for enrollment at a campus
123 of the California State University for any academic year, for up to 2 academic years, to a California
124 Community College resident transfer student who has completed an associate degree for transfer and
125 has received a fee waiver, as provided. Upon the enactment of an appropriation for this purpose, the bill
126 would require the Chancellor of the California State University to distribute funding to each California
127 State University campus to offset the costs of waiving tuition and mandatory systemwide fees to transfer
128 students pursuant to this bill.

129

130 **SB 641 (Skinner) CalFresh for College Students Act**

131 This bill would require the State Department of Social Services to post on its internet website updated
132 program lists and instructions to counties and would require the instructions to include specific guidance
133 for processing applications, reporting, and recertification for additional students who are exempt from
134 the CalFresh student eligibility rule. The bill would require the department to convene a workgroup to
135 identify the steps necessary to establish a CalFresh application submission process that improves access
136 to real-time information about applications submitted and accommodates the large influx of CalFresh
137 applications during the beginning of a school term, as specified.

138

139 **SB 929 (Eggman) Community Mental Health Services Data Collection**

140 Would require the State Department of Health Care Services to collect and publish data regarding clinical
141 outcomes for individuals placed in each type of mental health hold, services provided in each category,
142 waiting periods, and needs for treatment beds.

1 **Bill Number:** Senate Resolution, SR #2022-04
2 **Title:** Condemning the Violence on Ukraine and Affirming Support for Ukrainian
3 Students on Campus
4 **Sponsored by:** Senator for the College of Business Jose Raya-Perez, Senators for the College of
5 Liberal Arts Millaray Ramirez and Salvador Peregrina and Senators At-Large
6 Anthony Regina, Fidel Vazquez, and Teresa Falcon

8 **Date Approved:**

9
10 **WHEREAS** the Associated Students, Incorporated (ASI) Board of Directors at California State
11 University, Long Beach (CSULB) is a recognized voice for over 38,000 students; and,

12
13 **WHEREAS** that CSULB is composed of a diverse student population that includes an active Ukrainian
14 community; and

15
16 **WHEREAS** that California State University’s Interim CSU Policy ¹prohibits “Discrimination,
17 Harassment, Sexual Misconduct, Sexual Exploitation, Dating Violence, Domestic Violence, Stalking, and
18 Retaliation”²; and

19
20 **WHEREAS** the ASI Mission Statement states that we are “committed to the principle of the student
21 self-determination in the shared governance of the university, the Associated Students of CSULB seeks
22 to facilitate the achievement of students’ educational objectives and life goals through programs,
23 services, and facilities that advocate student needs and interests, compel student representation in
24 campus decision making and provide students with resources that they identify as necessary for their
25 intellectual, social, and physical development”³; and

26
27 **WHEREAS** that being student representatives within ASI, it is our duty to speak upon broad issues
28 and incidents that negatively impact not only the safety of students contained within our campus; yet
29 our diverse communities that surround us all throughout the Beach; and

30
31 **WHEREAS** these diverse communities and students from all backgrounds which join us today have
32 the right to coexist within the campus, free from discrimination, unwarranted prejudice, and violence
33 based upon the irreversible and unspeakable events that have followed from several disputes between
34 Ukraine and Russia; and

35
36 **WHEREAS** the community of CSULB has been directly affected by the events that commenced on
37 the night of the 24th of February, 2022, have solemnly disturbed the tranquility, wellbeing, and mental
38 health of students and staff here at CSULB. With the current disturbances that have followed and ensued
